

Illustra 400 Series

This firmware release adds the following improvements to the i400 Series IP Cameras

1. ONVIF Profile S support
2. Correction of the "white-out" or over exposure issue reported with the i400 Box cameras

Firmware Upgrade Installation

Camera firmware can be installed using either Illustra Connect or the utility in the camera web interface.

NOTE: Insure your camera does not lose power during the firmware upgrade process. Please refer to the release notes for upgrade instructions.
